

STUDENT SUPPLY LIST: 2023 - 24

Please LABEL ALL ITEMS with YOUR CHILD'S INITIALS or NAME

(Sharpie fine-line Permanent markers work best.)

All students should leave "special" not-to-be-shared items at home.

YOUNG KINDERGARTENERS: Please place a complete extra set of clothing in a labeled bag (inc. underwear & socks)

ALL STUDENTS should bring the following on or before **SEPTEMBER 5th:**

1. A LARGE TOTE BAG (that your child can carry) for carrying supplies, lunches, and winter outerwear. *Please no rolling backpacks.*
2. ONE pair of GYM SHOES to remain at School (should be treaded, supportive, cushioned athletic running shoes with white soles that will not leave skid marks on the gym floor). Shoes worn to and from school should also be athletic running shoes for running outdoor recess laps. For winter wear, they should be insulated, waterproof boots.
3. PERSONAL ART SUPPLIES (see list below)
4. POWER READING BOOK/S (see reverse side of this page for September's genre). Please make sure it is an appropriate reading level and is long enough to read in three weeks.
5. 1 FLASHDRIVE (for school use – ***labeled and emptied of any previous files***)
6. 2 WATER BOTTLES WITH SPORTS CAP for use at student desk
7. 2 boxes of Kleenex for desk

PARENTS, if you have a RETURNING STUDENT, give your child the opportunity to take responsibility for preparing a list of items missing from the following art supplies list and helping to select and purchase them as well as additional (optional) colors of pencils and felt markers. Children who have been involved in this process take better care of their supplies.

Students may not borrow supplies from others due to the expense of the supplies; therefore, if your child does not have necessary items or colors, she or he might not be able to complete the assignment, and it will become homework.

ART SUPPLIES TO BE PURCHASED, SHARPENED and LABELED:

The brand is important for artistic quality.
