

# 2025 - 2026 SCHOOL CALENDAR

### SPECIAL EVENTS (in bold and bold underlined)

Parents, we encourage you to pre-arrange your calendar and attend all special events to provide your child with the enrichment experiences and social opportunities that s/he needs for optimal development. Occasions in **bold text** are events at which attendance by all students and at least one parent is expected. **Bold underlined** events are important for both parents to attend.

#### **COMMUNITY EVENTS/SERVICE** (in red)

Parents, teach your child to have fun contributing to his/her world by volunteering and participating in community service events. Our primary partnerships are with the DNR (SIC, Salmon In the Classroom) and FOTR, Friends Of The Rouge (Rouge Water Quality Monitoring & PARC Butterfly Rain Gardens).

# PE FIELD TRIPS (see \*asterisk)

Parents, pre-arrange your calendar and share these recreational sports activities with your child. Your participation contributes to the enjoyment, which in turn encourages your child to incorporate recreational sports activities into a healthy style of living. This is part of developing the physical fitness component of the whole child. Other field trips will be added as they are confirmed.

## **PARENT CONFERENCES**

At least one parent must attend parent conferences; however, **both** parental perspectives will maximize the teacher's understanding of the child's learning needs and, therefore, are preferred.

## FIELD TRIP DRIVERS/CHAPERONES

Field trip drivers and chaperones are needed for all off-campus activities. Mark your calendars if you would like to help and check newsletters for details as the dates approach.

## **CURRICULAR FIELD TRIPS**

Additional field trips may be scheduled during the school year. Please keep an eye on the newsletters for further information as well as details for the events listed on this school calendar.

## PROMPT ARRIVAL

To avoid Extended Morning charges and tardy marks, arrive between 8:45 a.m. and 9:00 a.m. and pick-up between 4:00 p.m. and 4:15 p.m.

## **REGULAR ATTENDANCE**

We ask students to attend school daily unless contagiously ill (e.g., abnormal temperature) or advised by a physician. Parents, **call if your child will be absent for any reason** but especially if she or he is ill since we must report communicable diseases to the Wayne County Health Dept. Please wait 24 hours after a fever or vomiting to return to school.

#### VACATIONS

We ask that family vacations be scheduled to coincide with days when there is no school or special event. Not only do vacationing students generate considerable extra work for teachers, but also the student must complete alternative written assignments with parental assistance in place of the interactive assignments they missed.

## **EXPENSE ACCOUNT CHARGES**

DUE on the 15th of each month (or next school day)

#### SCHOOL CLOSINGS FOR INCLEMENT WEATHER

We close with PLYMOUTH-CANTON SCHOOLS for inclement weather (e.g., snow and cold days). Please check radio and TV listings.
